## ABOUT US

### WHO WE ARE

In 2000, T&S Sound productions now TX AV Productions, was founded, and at the time were focused solely on live Audio productions and Rentals. Over years the company has grown into audio visual and lighting solutions industry.

TX AV Productions Inc offers much more than comprehensive and modern audio visual solutions. We also offer our clients the ability to connect with others, collaborate in innovate ways, and simplify even the most technically complex processes. What we offer is greater efficiency and impact, using the best tools and minds the industry can produce.

### OUR TEAM

Together, our team embodies the values of creativity, expertise, dedication, and a relentless pursuit of perfection. We are passionate about turning your visions into reality and creating memorable experiences that leave a lasting impact.

When you work with TX AV Pro, you're not just getting technology; you're getting a team of professionals who are committed to bringing your ideas to life. Your vision, our expertise, and our dedicated team are here to make it happen.

### YOU CAN REST ASSURE WE WILL:

- Take ownership of the entire production process, including all technology issues.
- Offer continuity – you'll work with familiar faces you trust.
- Manage union staff, streamlining communications and costs.
- Respect the bottom line and remain sensitive to budget constraints.
- Know major venues across the country inside and out.
- Travel with you to locations throughout the US and around the world.

Our team creates exceptional experiences by providing expertise, guidance, and extraordinary service from start to finish. We manage every detail to make your life easier and bring you peace of mind.
